**Detour**

This will be the final year for the Schweitzer Red Angus and co-signers Private Treaty Sale. In 2018 we will hold our first auction. The Spring auction will include but not be limited to Red Angus Bulls, Pure bred yearling heifers, show heifers, Bred heifers, and commercial replacement heifers. In North America, the red angus breed is as popular as it has ever been. We look forward to helping improving our herd to benefit yours for future years to come.

For this year's Private Treaty sale all prices are online at [www.schweitzerredangus.com](http://www.schweitzerredangus.com). The bulls are currently in Raymond Nebraska at Jim Gosey's. All three parties involved started through Jim Gosey Red Angus. We not only appreciate his support but all the work he did feeding our bulls this year. Our goal is to carry on what Jim started in Southeast Nebraska for years to come. Bulls are available to view in Raymond upon request.

This group of Bull has been culled down several times. Whatever we print in the catalog we stand behind. All of us breed for calving ease so you will see a lot of bulls that are suitable for heifers in this line up.
